2. HOW WE COLLECT AND USE YOUR PERSONAL INFORMATION

Company gathers personal information from users of the Sites. When you browse our Sites, subscribe to our services or contact us through various social or web forms you are voluntarily sharing personal information with us. This personal information also includes various data that we collect automatically. This may be the user's Internet Protocol (IP) address, operating system, browser type and the locations of the Sites the user views right before arriving at while navigating and immediately after leaving the Sites. It may also include various technical aspects of users computers or browsers and users browsing

habits that are collected through cookies. Company may analyze various mentioned personal information gathered from or about users to help Company better understand how the Sites are used and how to make them better. By identifying patterns and trends in usage, the Company can better design the Sites to improve users' experiences, both in terms of content and ease of use. From time to time, Company may also release the anonymized information gathered from the users in the aggregate, such as by publishing a report on trends in the usage of the Sites.

When we believe disclosure is appropriate, we may disclose your information to help investigate, prevent or take other action regarding illegal activity, suspected fraud or other wrongdoing; to protect and defend the rights, property or safety of Company, our users, our employees or others; to comply with applicable law or cooperate with law enforcement; to enforce our Terms of Use or other agreements or policies, in response to a subpoena or similar investigative demand, a court order or a request for cooperation from a law enforcement or other government agency; to establish or exercise our legal rights; to defend against legal claims; or as otherwise required by law. In such cases, we may raise or waive any legal objection or right available to us. We will notify you if permitted before undertaking such disclosures.

Company reserves the right to transfer all information in its possession to a successor organization in the event of a merger, acquisition, bankruptcy or another sale of all or a portion of Company's assets. Other than to the extent ordered by a bankruptcy or other court, the use and disclosure of all transferred information will be subject to this Privacy Notice, or to a new privacy notice if you are given notice of that new privacy notice and are given an opportunity to affirmatively opt-out of it.

3. DO WE USE COOKIES?

We do **NOT** use cookies.

4. DO WE SHARE YOUR PERSONAL INFORMATION?

General Provisions

Company contractually prohibits its contractors, affiliates, vendors and suppliers from disclosing any personal information received from Company, other than in accordance with this Privacy Notice. These third parties may include advertisers, providers of games, utilities, widgets and a variety of other third-party applications accessible through the Sites. Company neither owns nor controls the third-party websites and applications accessible through the Sites. Thus, this Privacy Notice does not apply to personal information provided to or gathered by the third parties that operate them. Before visiting a third party, or using a third-party application, whether using a link on the Sites, directly through the Sites or otherwise and before providing any personal information to any such third party, users should inform themselves of the privacy policies and practices (if any) of the third party responsible for those Sites or applications and should take those steps necessary to, in those users' discretion, protect their privacy.

Third-Party Advertisers

We do **NOT** allow third-party advertising companies to serve ads when you visit the Sites.

Analytics

We do **NOT** use Google Analytics but we may partner with selected third parties to allow tracking technology on the Sites, which will enable them to collect data about how you interact with the Sites and our services over time. This personal information may be used to, among other things, analyze and track data, determine the popularity of certain content and better understand online activity.

Social Media

Users can connect their accounts to their social media accounts. We may provide you with the option of connecting your account on the Sites to your account on some social networking sites to log in, upload personal information or enable certain features on the Sites. When logging in using your social network credentials, we may collect the personal information you have made publicly available on the social networking site, such as your name, profile picture, cover photo, username, gender, friends network, age range, locale, friend list and any other personal information you have made public. Once connected, other users may also be able to see information about your social network, such as the size of your network and your friends, including common friends. By connecting your account on the Sites to your account on any social networking site. We will not send any of your account personal information to the connected social networking site without first disclosing that to you. Each social network may further allow you to set privacy controls around your personal information on their system, and our collection of personal information will always follow such controls and permissions. This feature is subject to continuous change and improvement by us and each social networking site involved, and therefore the available features and shared personal information are subject to change. Please visit our Privacy Notice for any updates.

The Sites have hyperlinks to social media networks. We may use hyperlinks on the Sites which will redirect you to a social network if you click on the respective link. However, when you click on a social plug-in, such as Facebook's "Like" button or Twitter's "tweet" button that particular social network's plugin will be activated and your browser will directly connect to that provider's servers. If you do not use these buttons none of your data will be sent to the respective social network's plugin providers. To illustrate this further, imagine the scenario where you click on Facebook's "Like" button on the Sites. Facebook will receive your IP address, the browser version and screen resolution, and the operating system of the device you have used to access the Sites. Settings regarding privacy protection can be found on the websites of these social networks and are not within our control.

Third-Party Service Providers

We do NOT use third-party service providers on the Sites.

Marketing communication

We do NOT send marketing emails to users.

Email us at info@adviceandtrial.com

If you wish to opt out of receiving any marketing emails we may decide to send in the future, please indicate by clicking on the Unsubscribe button found in the footer of our emails.

5. MOBILE DEVICE ADDITIONAL TERMS

This Privacy Notice is NOT for a mobile application. We do not provide a mobile application. Mobile devices will access the sites using a browser.

Mobile devices have additional identifiers that may be collected as part of the effort to track usage of the sites and improve their performance, appearance, and/or content of the sites.

6. SECURITY

We take the security of your personal information seriously and use reasonable electronic, personal and physical measures to protect it from loss, theft, alteration or misuse. However, please be advised that even the best security measures cannot fully eliminate all risks. We cannot guarantee that only authorized persons will view your personal information. We are not responsible for third-party circumvention of any privacy settings or security measures.

We are dedicated to protecting all personal information on the Sites as necessary. However, you are responsible for maintaining the confidentiality of your personal information by keeping your password and computer/mobile device access confidential. If you have an account with Company and believe someone has gained unauthorized access to it or your account please change your password as soon as possible. If you lose control of your account, you should notify us immediately.

7. PRIVACY RIGHTS - EU USERS

We do NOT have EU users, accept or conduct business in the EU, or solicit business in the EU.

If Company relies on your consent to process your personal information, you have the right to withdraw your consent at any time. However, please note that this will not alter the validity of the processing before its withdrawal.

If you wish to exercise any of the mentioned rights please contact us by:

Email at info@adviceandtrial.com

or by referring to the contact details at the bottom of this Privacy Notice. Company has 30 days to respond to your request.

If you are not satisfied with Company's handling of your privacy concerns please note that you have the right to complain to your local data protection supervisory authority.

If you have any questions or comments about your privacy rights, you may email us at info@adviceandtrial.com

8. CHILDREN

Users under the age of 13 may NOT register and/or provide personal information to the Sites.

9. DO-NOT-TRACK NOTICE

The Sites do **NOT** respond to **do-not-track-signals**. Most web browsers and some mobile operating systems include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. Because there is not yet a common understanding of how to interpret the DNT signal, the Sites currently do not respond to DNT browser signals or mechanisms.

10. GOVERNING LAW

Disputes over privacy issues contained in this Privacy Notice will be governed by the law of the State of Florida. You also agree to abide by any limitation on damages contained in our Terms of Use or other agreements that we have with you.

11. PRIVACY NOTICE CHANGES

Company may, in its sole discretion, change this Privacy Notice from time to time. Any and all changes to Company's Privacy Notice will be reflected on this page and the date of the new version will be stated at the top of this Privacy Notice. Unless stated otherwise, our current Privacy Notice applies to all personal information that we have about you and your account. Users should regularly check this page for any changes to this Privacy Notice. Company will always post new versions of the Privacy Notice on the Sites. However, Company may, as determined in its discretion, decide to notify users of changes made to this Privacy Notice via email or otherwise. Accordingly, users must always maintain and update their contact personal information.
